Dear Mr. Fowler:

RE: Colbert Landfill Closure Schedule

Ecology has reviewed the schedule for the closure of the Colbert Landfill, which was submitted in the letter of August 21, 1992. We approve the schedule, and would like to expedite matters whenever possible. In accordance with the schedule, we expect the Conceptual Design Submittal on or before February 15, 1993.

We look forward to working closely with Spokane County in achieving a safe, timely, and efficient closure of the landfill. If you have any questions, please do not hesitate to contact me at (206) 438-3079.

Sincerely,

Michael Kuntz MK
